A Program of

**Are you looking for a fun,  
safe, and nurturing place  
for your kindergarten or  
elementary child to learn,  
play and grow?**

First Start Children's Center, located adjacent to Garrison Park in West Concord, offers part-time programming for children who are enrolled in morning or afternoon kindergarten classes and first through fifth grade. Register for full week or individual days.

Getting your child here is easy, Beaver Meadow students are bussed directly to and from First Start.

We are a Licensed Plus center through the New Hampshire Department of Health and Human Service, Bureau of Child Care Licensing. Scholarship assistance is available to eligible families.

### Before and After

### Kindergarten Program

Our Before and After Kindergarten programs include indoor and outdoor play, creative activities, computers with educational and age appropriate games, and balanced and nutritious meals as approved by the NH Child Care and Adult Food Program.

Our "outdoor" classroom gives children the space to enhance gross motor skills in a safe environment, offering a "child safety" surface that provides a cushion to minimize impact from falls. The balance beams, sand boxes, slides, swings, crawling tunnels, monkey bars and bike area offer kids many opportunities to enjoy outside play.

### After-School Program

Our first through fifth grade after-school program offers activities, computer games, projects and outdoor fun at Garrison Park. Afternoon snack is provided and kids are encouraged to relax and spend time with their friends. There is also time to get a head start on homework. All day care is also available during school week vacations, snow days and early release days at no additional charge.
